The EAT and Wrocław University of Environmental and Life Sciences are delighted to invite you to participate in the XV EAT Congress in Wrocław, Poland from 1<sup>st</sup> to 4<sup>th</sup> September 2021.

The European Association of Thermology exists to promote, support and disseminate research in thermometry and thermal imaging in the fields of human and veterinary medicine and biology. We do this through our peer-reviewed journal Thermology International, regional seminars around Europe, and our flagship Congress, which takes place every three years.

Following on from the most recent meetings in Porto (2012), Madrid (2015) and London (2018) the Congress heads to eastern Europe for 2021 to Wrocław in Poland.

The Organising Committee looks forward to welcoming you to Wrocław University of Environmental and Life Sciences in the summer of 2021.

Dr. Kevin Howell  
EAT President

## VENUE.

Wrocław lies on the banks of the River Oder in western Poland, and is the capital of the Lower Silesian Voivodeship. It was the European Capital of Culture in 2016, and won the "European Best Destination" title in 2018.

Our venue will be the Faculty of Biology and Animal Science at the prestigious University of Environmental and Life Sciences on Chelmonskiego Street in the eastern suburbs of Wrocław. The Faculty building boasts excellent conference facilities including a large lecture theatre, ample lobby space for networking and poster presentations, and a spacious restaurant for lunch breaks. This is the perfect environment for delegates to present their thermological research at Europe's flagship biomedical temperature congress.
